

About Us

The Australian Breastfeeding Association provides evidence-based breastfeeding and parenting information and support available to all mothers and parents.

Access our local mothers groups in Tasmania to connect with others.

Support for all stages is available at breastfeeding.asn.au, the **mum2mum** app, calling the **National Breastfeeding Helpline 1800 686 268**, our ABA **LiveChat** service and at our free local activities. Have your breastfeeding questions answered by qualified peer supporters.

Want to take a class? ABA offers expectant parents the ABA **Breastfeeding Preparation Session** live education webinar - **save with our local group \$20 cashback offer**.

Access ABA's **Virtual Village** for additional parenting webinars and online support services, including premium **mum2mum** app content.
